UPCOMING

Let us ask God what He would have us to do, in His name, that would help us reach out to those who do not have a church home. And when they come, help us to reach out in kindness.

When you let go of judging, condemning and policing other people and their behavior, you'll have a lot more energy to devote to your real purpose:

Loving God & Loving Them.

Don't let evil conquer you, but, conquer evil by doing good. We must make this decision every day.

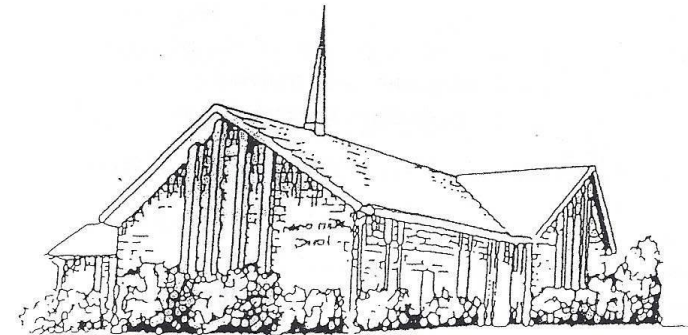

Otherwise, we begin to feel hurt, offended, sinned against, and then justified for our own sinful behavior in return.
